Subject: Faculty & Course Evaluations Fall 2017

As you are aware that IBA has been conducting Faculty & Course Evaluations every semester in order to get your feedback to further enhance the quality of education.

The execution of the Faculty & Course Evaluations, Fall 2017 has been scheduled from 4th December - 7th December, 2017.

Please note that earlier the evaluations used to be conducted only in designated labs but from last semester, in order to maximize students' response rate, you have been provided with open access of the evaluation form to be executed from anywhere (in/off campus) using your ERP login ID and Password during the stipulated time frame.

Please be informed that students who do not complete the Faculty & Course Evaluation for all courses will be required to complete the evaluations during the first 30 minutes of Final Exam for which no extra time will be given.
