Steps to add Scholarship Application (ERP)

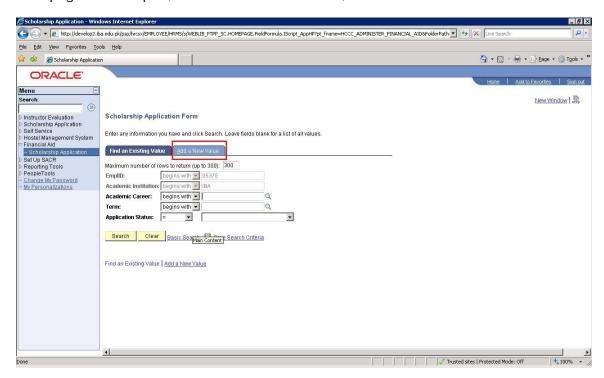

- 1. Login to ERP
- 2. Click on Link Financial Aid, as shown below:

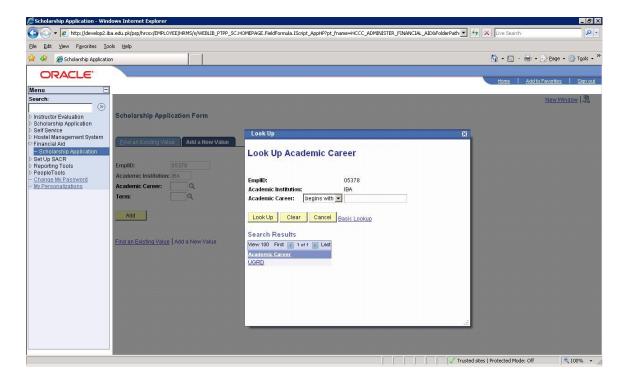

3. Click on **Scholarship Application**, as shown below:

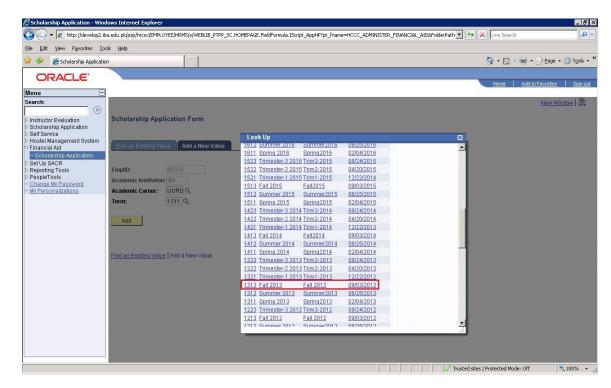

4. New page will be open, click on **Add new value**, as shown below:

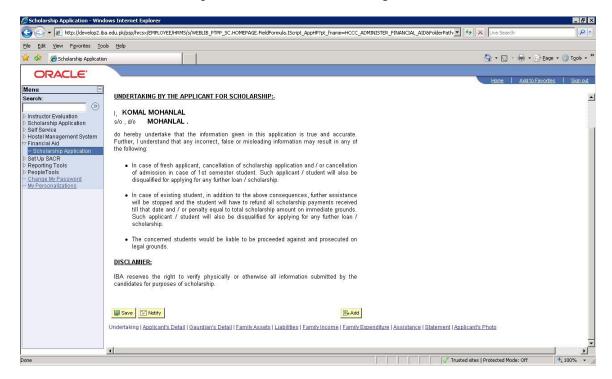

5. Here you have to select **career (UGRD/GRAD)**. Click on magnifying glass to view the list of values available and click the appropriate value, as shown below:

6. Now select the **term (Semester)** for which you want to apply for financial aid, as shown below:

7. Now the form will be open, there are different tabs here. Some fields are mandatory so **first fill the mandatory fields with** *. After filling the form save it.

8. Finally submit the application as shown below. After submit you can't make any further changes to application.
