**Institute of
Business Administration
Karachi**

Leadership and Ideas for Tomorrow

THE KEYNOTE SPEAKER

Mr. Sadeq Sayeed is a prominent Pakistani-born banker and businessman. He is widely known for his role behind Nomura's acquisition of the Europe, the Middle East and Africa businesses of Lehman Brothers in Oct 2008.

Mr. Sayeed was appointed Chairman of Metage Capital Limited in March 2011.

Metage Capital Limited is a UK based investment firm managing off shore funds established in 1999.

Prior to joining Metage Capital Limited, Mr. Sayeed was CEO of Nomura International, having joined the company in 2000 as a Special Advisor, from Credit Suisse.

He has been directly responsible for a number of key strategic projects, including the acquisition of Lehman Brothers European & Asian Business in 2008, the creation of Terra Firma Partners in 2001 and the disposal of significant sub-prime exposure in 2007.

Mr Sayeed has over 30 years experience in investment banking.

He holds an undergraduate degree in economics with concentration in electrical engineering from Massachusetts Institute of Technology (MIT), as well as a master's degree in finance from MIT's Sloan School.

Lecture is Free to attend. Very Limited Seats. First come first served basis only.
