Career Fair 2016

IBA Career Fair is the premier forum for employers to meet some of the best-qualified business administration and information systems graduate students in the nation. It draws a large pool of talented IBA students and alumni who not only possess practical skills and global perspective but also a tremendous passion and zeal to perform beyond expectations. The IBA Career Fair provides a common venue to recruiters and students to share information and explore various career opportunities.

3rd Gold Sponsor – EFU Life

EFU Life Assurance Ltd started operations in November 1992 as the first private sector life insurance company. The Company has a growing branch network of over 200 branches throughout the country. For Bancassurance, the Company has a relationship with over 13 major banks and offers simple to sophisticated life insurance products.
