Under the new scoring system, minimum scores of 138 in the verbal and 136 in the quantitative sections are required. TOEFL will be required for all short-listed applicants.

Please note that **HEC attested documents are not required with the application.** Degree and transcripts need only be attested by the issuing authority.

**Plagiarism in an application can lead to disqualification at any stage of the program.**

### INSTRUCTIONS

Please fill out the application form according to the following instructions. **YOU SHOULD NOT MAIL THIS FORM DIRECTLY TO ANY UNIVERSITY IN THE UNITED STATES.**

1. All forms in this application are to be completed in English and typewritten in black ink or printed from a computer.
2. Each page of the following application carries its own instructions that should be read carefully before proceeding.
3. Questions must be answered completely and carefully. Please make every effort to limit your responses to the space provided.
4. Completed applications should be returned to Fulbright Commission Office in your country of citizenship as soon as possible. Before you begin this application, you should make sure that you are aware of all deadline dates and requirements as these may vary from country to country.
5. Incomplete applications will not be considered.
6. Do not mention the names of any U.S. universities you wish to attend in this application. The University Preference Sheet is included for that purpose.
7. If you do not hold a valid Pakistani passport, apply for one immediately.
8. Attach a copy of your complete CV.
9. All successful candidates are required to sign a contract with USEFP that binds them to return to Pakistan immediately after their program in the U.S. and serve the country for the number of years equivalent to the length of their scholarship program minimum of two years. This contract is redeemable on a year-for-year basis (minimum of two years) after returning to work in Pakistan, so that as long as a person fulfills the service requirement, he or she will pay nothing. Otherwise, a grantee will be legally liable for the cost of his or her scholarship program in the U.S. on a year-for-year basis. Additionally, successful candidates awarded Fulbright PhD grants are required to post a bond with the HEC. The bond is redeemable on a year-for-year basis. No grantee will be required to pay anything as long as they fulfill their contractual/ bond obligation.

11. Make arrangements to take GRE.

## SPECIFIC INSTRUCTIONS FOR APPLICATION ITEMS

A complete application has the following components:

**Item 1—Name:** It is very important that you list your name exactly as it appears (or will appear) on your passport. Please use upper and lower case when entering your name, e.g. Ron Smith.

**Item 11—Degree Objective:** Select PhD or Masters.

**Item 12—Field of Study:** From the choices, select the field of study most appropriate to your study objective. You can briefly elaborate on the exact nature of your objective in the text box that follows.

**Item 14—Institutions Attended:** Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree.

**Item 21—Occupational Experience:** Please select the position title which best describes the activity in which you are currently (or most recently) involved and all previous experiences.

**Item 28—Study/Research Objective:** The study/research objective description that you provide is an essential and highly important part of your application. You should take great care

to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study in which you want to specialize or concentrate. If there is specific research that you want to accomplish, please describe it. Remember to leave a 1½ inch (4 cm) margin at the top of every page to allow room for the header that will appear on the PDF view. Preview your essay to check the formatting before submitting your application.

**Item 29—Personal Statement:** The personal statement is a narrative statement explaining what is special, unique, distinctive, and/or impressive about you or your life story. It may include details of your life (personal or family problems, history, people or events that have shaped you or influenced your goals), explain your interest in the field you propose to study, and demonstrate that you are well suited to this field. It should also touch on your career plans and your purpose in applying for study in the U.S. Again, remember to leave a 1½ inch (4 cm) margin at the top of every page to allow room for the header that will appear on the PDF view.

Preview your essay to check the formatting before submitting your application.

**Item 30—Additional Information:** Attach your curriculum vitae here. Please feel free to use this page to give additional information about yourself. While there is no 'header' on this page for which you need to leave space, it is still advisable that you preview your information to check the formatting before submitting your application.

**Page 7—Personal Information:** The information provided on this form will be used by USEFP for internal purposes only.

**Page 8—Personal Financial Information:** Please complete only items 41A and 44. For 41A, if either parent is a government or military officer, give current grade/rank or grade/rank at which retired.

**Page 9—University Preference:** You are **not** required to state the university preferences, but if you would like, please complete this page as fully as possible. Do not just list the name of a university in which you are interested. Be specific. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual. Most important is to explain why you think that the university is a good fit for you.

If you have applied to a U.S. university within the past three years, please list the programs and the results. If you have letters of admission, letters of invitation, or other correspondence from a school, especially a preferred program, please forward a copy (not the original) of this correspondence to USEFP.

## SUPPLEMENTAL FORMS

**a. Letter of Reference/Recommendation:** You must have three letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work related letter should be included among the letters. The letters should be written in English. Your recommenders can submit their letters in the following way:

- You can print out the Letter of Reference form and forward to your recommenders who will then complete the forms and mail to USEFP.

**b. GRE score report:** Valid GRE score report is required. You must indicate the USEFP registration code **9388** on the form when you take the exam.

**a. Academic transcripts:** Applicants must submit, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- One attested official record (transcript) from each university or post-secondary institution you attended, even those institutions from which you did not receive a degree or diploma. The transcripts should list the subjects you studied and the grades you received during each year of your enrollment. If possible, official transcripts must be submitted directly from the schools in sealed envelopes to USEFP. Otherwise, copies must be attested by the issuing authorities.
- Attested, official evidence of each post-secondary or university degree, diploma or certificate awarded to you should be included as part of the completed application.
