IBA Karachi hosted a policy roundtable on 'Indus Water Treaty in Perspective' to discuss the implications of the India's unilateral suspension of the Indus Water Treaty (IWT) in April 2025, at the City Campus. The event was organised by the Center for Business and Economic Research (CBER) at SESS.

Experts highlighted a critical lack of institutional capacity to engage and respond meaningfully with the treaty's technical and legal dimensions on diplomatic fronts. While academic institutions in Pakistan teach water-related subjects, they emphasized the urgent need to strengthen expertise in international water law and transboundary
