DAWN Growth of Islamic finance in US highlighted

Dawn Report

KARACHI: Students of the Institute of Business Administration (IBA) were informed about the evolution and growth of Islamic finance in the United States, its unique opportunities and potential for fostering financial inclusion.

Prof Dr Mohammad Kabir Hassan delivered a lecture - Islamic Finance in the USA: Concepts, Institutions, and Prospects - at the IBA's main campus and offered students valuable insights into the practical application of Islamic finance principles.

According to a press release, the IBA recently hosted Dr Hassan, Hamid D. Habib Chair in Finance, Department of Finance, School of Business Studies (IBA-SBS), and a professor at the University of New Orleans, for a series of engaging lectures and discussions.

Dr Hassan also met with the IBA-SBS faculty to provide insights on publishing in high-impact journals, sharing strategies to enhance the quality and impact of research while addressing common challenges in the publication process.

Lecture on Islamic finance at IBA

NEWS DESK. A leading global authority on Islamic finance and banking Dr Mohammad Kabir Hassan delivered a guest lecture at IBA on Jan 24 on the topic "Islamic Finance in the USA: Concepts, Institutions and Prospects". Dr Hassan also holds the Hamid D Habib Chair in Finance at the School of Business Studies at IBA Karachi. The lecture was widely attended by staff and students. Dr Hassan spoke at some length on the growing trend of Islamic finance in the US, driven by the country's growing Muslim population. Dr Hassan is an expert on the subject and has provided consulting services to the World Bank, IMF, African Development Bank, Islamic Development Bank, UNDP and the Government of Turkive.
