Actions violating the Code of Conduct can result in disciplinary sanctions. Examples of disciplinary sanctions include, but are not limited to, fines, community service hours, or academic penalties, and can also result in dismissal from the Institute. A student dismissed for disciplinary reasons will not be considered for readmission. The tenets of the IBA Code of Conduct apply to all students.

Every student is responsible for understanding and abiding by the Code of Conduct. Ignorance of the Code of Conduct is not considered defense during disciplinary proceedings. Queries seeking clarifications regarding the Code of Conduct may be addressed to the Student Affairs Office.

# Jurisdiction and applicability

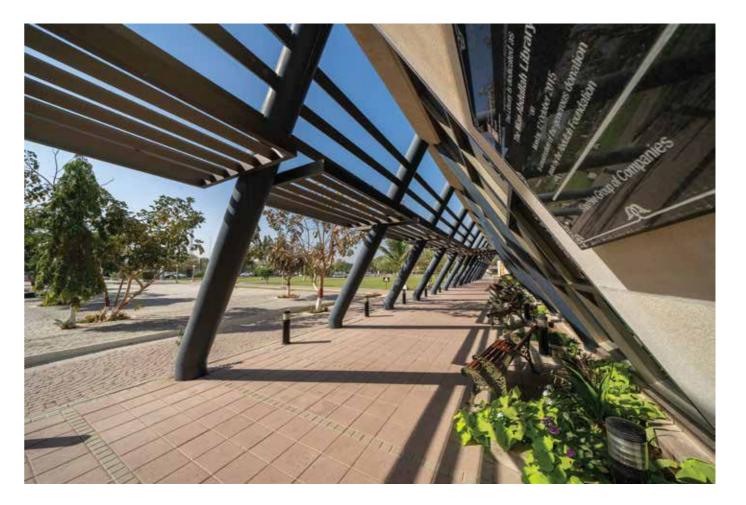

The disciplinary jurisdiction of the Code of Conduct extends to any misconduct by a student or student societies that occurs on campus facilities and in certain instances off campus, where students are representing the Institution.

### **PROCEDURE**

Students disputing the Disciplinary Committee decision may file a written review request with the Student Conduct and IBA Standards Committee (SCISC) through the Secretary SCISC, no later than 15 academic working days following notification of the DC's decision.

#### **Review Committee**

The Chairman SCISC will be Chair for the Review Committee body. The composition of the Committee should be members of SCISC excluding members of the DC.

#### **Procedure**

When the decision of the Review Committee is in the process to be taken, the decision of the DC should stand. Any other situations such as suspension and exam cases will be dealt with by the Review Committee to decide on a case-to-case basis.

**Step 1** The review request must state one of the following as grounds for the review:

- a. Procedural irregularities by the DC sufficient to affect the determination of the original hearing authority. The standard of review required is that:
- i. Only a substantive deviation from the DC stated procedures which results in an unfair outcome provides a sufficient basis for an appeal.

- ii. The existence of harmless procedural irregularities which did not affect the decision made by the DC does not provide a basis for appeal.
- b. Insufficient evidence to support the decision of the DC. The standard of review required is that the original hearing authority's decision was clearly erroneous and cannot reasonably be supported by the evidence; necessitating 'deference' to be given to the original decision.
- c. Harshness of the penalty imposed by the DC sufficient to show an abuse of discretion. The standard of review required is failure to exercise reasonable judgment under the circumstances, necessitating deference to be given to the original decision.
- d. Emergence of new evidence that was not reasonably available for presentation to the DC which may reasonably be expected to affect the recommendation reached by the DC. The standard of review required is:
  - i. Applicant to demonstrate that evidence was not reasonably available at the time, and;
  - ii. that the new evidence can be reasonably expected to affect the original body's decision; necessitating the case be remanded to the DC for recording new evidence and reconsideration of the decision.
- **Step 2.** The Chairman DC will be provided a copy of the student's written review request and be asked by the Secretary to provide the record/case file.
- **Step 3.** The concerned parties shall be informed by the Secretary SCISC about the date, time, and place of hearing of the Review Committee meeting and forward necessary materials to Review Committee members and the Applicant. The Applicant and any other party to the original grievance will participate and will be given a reasonable time to present relevant information. Attorneys are not allowed to attend the meeting on behalf of any parties involved.
- **Step 4.** The review hearing is to be conducted on the information already available on record. No new evidence is to be brought during the review hearing. If there appears to be any need for new evidence to be submitted, the case may be remanded to the DC.

## **Academic Conduct Guidelines**

The academic conduct guidelines are listed as follows:

#### **Instructional Spaces**

Classrooms/seminar rooms/auditorium and laboratories are set up to provide a modern and conducive learning environment. All lecture rooms are air-conditioned and equipped with comfortable chairs and tables, multimedia, projectors, and white boards.

#### **Attendance**

A distinguishing feature of the IBA Karachi is its stringent adherence to the academic calendar. Students are required to attend lectures, laboratory sessions, seminars and fieldwork specified for every course offered in a semester.

The course instructor takes attendance in each class. Late comers are marked absent. If a student accumulates more than the permissible absences, then they must withdraw from that particular course. Students found tampering with attendance records in any way will immediately be expelled from the Institute. The permissible number of absences for students will include participation of the IBA students in conferences/seminars/events, sports at national and/or international level, an exchange program, religious activities (pilgrimage etc.) and add-drop week.

Please note that no attendance will be transferred from one course to the other. Transfer of attendance will only be allowed across sections of the same course for the first week of the semester.

Permissible absences per semester are mentioned in the following table:

Semester type	Duration of session	Total sessions	Allowed absences
Spring or fall	75 or 90 minutes	28	5 for full-time students 7 for part-time students
Spring or fall	150 or 180 minutes	14	2 for full-time students 3 for part-time students
Spring, summer, fall	180 minutes	12 Executive MBA only	3
Summer	120 minutes	21	3
Winter	180 minutes	12	2

Students not officially enrolled in a course are not permitted to attend its classes without prior approval from the respective faculty member / Program Office. Unauthorized presence in the class disrupts the learning environment and violates institutional policies. Please ensure that you attend only those classes in which you are officially enrolled unless you have received explicit permission from the concerned faculty member / Program Office.

#### **Lecture timings**

- Full-time students: Lectures are held from Monday to Saturday; morning lectures commence at 8:30 a.m. Single session lectures have a duration of 75 or 90 minutes depending on undergraduate or graduate level courses. Classes are usually twice a week, but some courses may have a double session once a week. The class timetable is emailed to the students, and it is the responsibility of the students to stay updated with announcements like this on email.
- Executive MBA and part-time students: Lectures for Executive MBA and part-time students are held on weekends between 6:00 p.m. to 9:00 p.m. on Saturdays and 9:00 a.m. to 5:00 p.m. on Sundays, with a 15-minute break in between the lectures.

#### **Class Representatives**

Each class may elect one class representative who will act as a liaison between the student and the IBA management in all matters.

#### Withdrawal from a course

A student may withdraw from courses if such withdrawal helps the student in improving their performance in the remaining courses. Both full-time and part-time students may withdraw from one or more courses during a semester.

### IBA Hostels

The IBA Karachi provides hostel facilities to its full-time, regular students from outside Karachi. Two hostels, one each for female and male students, are located within the premises of the University of Karachi. Both the hostels are secure spaces, guarded 24/7 by trained security professionals, and through CCTV surveillance.

The hostels are spread over an area of 2.5 acres, surrounded by lush green lawns, trees, and gardens. Hostels' design amalgamates the needs of modern urban living with sustainability, while vast and open corridors enable a pleasant, properly ventilated living space.

The IBA hostel life is a testimony to IBA's diversity and inclusivity. Residents come from all over Pakistan and other countries and bring with them diverse cultural, economic, social, and religious backgrounds to share a similar bond, which is their association with the prestigious institution and with each other. The IBA hostels provide an atmosphere where students can learn and develop life-long associations while enjoying a comfortable setting.

Residents' security is a top priority for the institute and the hostels are guarded 24/7 by professional security personnel, with the entrance and exit points under constant CCTV surveillance. The IBA Girls hostel is a secure, residential complex for the institute's female students, managed by a female superintendent and a resident warden. The hostel is located near the IBA campus with the facility of a regular shuttle service.

The hostels' residents are encouraged to live like one big family, helping each other wherever required and making hostels a home away from home. The hostel management makes tremendous efforts to provide the residents with a clean, hygienic and congenial environment to facilitate this brief but integral part of their professional journey. Discipline and compassion for fellows are two core values that the hostel management encourages and inculcates among students. The hostels foster a sense of ownership among residents, enabling them to create memories that they cherish for years. The hostel management also encourages the hostel residents to participate in numerous cultural and social activities that are organized by the Hostel Society. Some of these include the annual welcome dinner for the hostel freshman batch, Eid-Milad-un-Nabi, cricket and football tournaments, and the annual farewell dinner for the hostel graduating batch.
